

Basics of Hardwood Management

A Workshop for Landowners

University of Arkansas
Livestock and Forestry Branch Experiment Station
Batesville, Arkansas

Wednesday, October 28, 2009
(Rain date November 4)
8:00 a.m. to 4:15 p.m.

Please join us for a Hardwood Management Workshop at the University of Arkansas' 3,000-acre Livestock and Forestry Branch Experiment Station in northeastern Arkansas. This will be a hands-on workshop for forest landowners. Take advantage of this excellent opportunity to further your knowledge about forest resource management, learn about current forestry research, and interact with resource management professionals.

AGENDA **Wednesday, October 28, 2009**

8:00 a.m. **Registration** (Working barn)

Hardwood Establishment (8:45-10:15)

Site preparation and tree planting - Chris Stuhlinger and Dr. Jamie Schuler, Arkansas Forest Resources Center
Herbicide application – Ples Spradley, UA Cooperative Extension Service

10:30 **Break** at Working barn (refreshments)

Intermediate Practices (11:00 am – 12:20 pm)

Thinning/Timber Stand Improvement – Dr. Jon Barry, UA Cooperative Extension Service
Hack-and-squirt application – Kyle Cunningham, UA Cooperative Extension Service
Damage assessment – Dr. Tamara Walkingstick, UA Cooperative Extension Service

12:30 p.m. **Lunch** (Field)

Regeneration/Marketing (1:15-4:10)

Selling your timber - Chris Stuhlinger and Dr. Jamie Schuler, Arkansas Forest Resources Center
Tree grading – Kyle Cunningham

Break

Regeneration methods – Dr. Jamie Schuler,
UAM School of Forest Resources
Basic inventory/tree measurements – Dr. Jon Barry

4:15 pm **Adjourn**

NOTE: Wear appropriate clothing and shoes for walking in the woods!

Registration: Registration fee is \$10 per person (payable to "AFAEF")

Registration Deadline is Friday, October 23, 2009 at 3 p.m.
No refunds after the deadline!

Note: attendance will be limited to 30 people

Rain date is Wednesday, November 4. Call 870-793-7432 if weather is questionable on Oct. 28.

Lunch and educational handouts will be provided.
Door prizes will be given out in the afternoon.

Directions: From Batesville, take Hwy. 69 west of town about 8 miles to Hwy. 106. Go south about 3 miles to the Station entrance.

See location map at www.batesvillestation.org
